MISSION TRIP
2020
RIVERSTONE
CHURCH

North Holland

Host Missionaries: Peter and Margre Hays
GEM (Greater European Mission)

Mission/Vision: To give every inhabitant of Alkmaar and North Holland the opportunity to hear the gospel so that they can be transformed by Jesus Christ.

Why North Holland? In a 2015 survey, 82% of Netherlands inhabitants said they had never or almost never visited a church, and 59% stated that they had never been to a church of any kind! The Hays live in Heiloo, North Holland, which has about 24,000 residents, but only about 40 of those are Christians! Because most North Holland residents will not go to church (service/building), the church (the believers in Christ) must meet them where they are. We also minister to and with our Dutch brothers and sisters in Christ, who face daily rejection and challenges. All part of 'disciples making disciples.' (Matt 28:19,20)

Evangelism Strategy: The appealing slogan "*The Power to Change*" has been promoted using a variety of media, repeatedly and over a prolonged period since 2016, serving as a bridge to share the gospel through various avenues. The slogan is linked to a website where visitors can be informed of and in contact with the gospel in a number of ways. Additionally, we will be engaging people in the marketplaces to spread the ministry and its message of hope. (Rom 15:21)

Mission Trip Focus: To strengthen our relationship with Peter and Margre through boosting their 10-year evangelism project, *The Power to Change*. Also, to equip and expose our members to cross-cultural ministry and cultivate a passion for global evangelization.

*"...make His
deeds known
among the
nations."*
